SUMMER FY22 Beverage Nutritional information

Nutrition information for beverages is calculated based on Starbucks standard recipes. Due to the handcrafted nature of these products and to possible variations on the milk and milk alternatives brands used in our stores, nutrient values may vary from those published here. New product introduction, ingredient changes or recipe changes during the life of this publication may cause this information to be incomplete.

Size of our beverages: Short = 240 ml / Mini = 296 ml / Tall = 355 ml / Grande = 473 ml / Venti = 591 ml
